## EVENT CANCELLATION / CHANGE OF EXHIBIT

If SEMI should be unable to hold the exhibition for any cause beyond its reasonable control, or if it cannot permit the Exhibitor to occupy its space due to causes beyond SEMI's reasonable control, SEMI has the right to cancel the exhibit with no further liability than a refund of the stand space rental less a proportionate share of the exhibition expenses incurred by SEMI. SEMI shall in no event be liable for incidental or consequential damages to Exhibitor arising from or relating to such cancellation. Should Exhibitor's display and/or material fail to arrive, Exhibitor is nevertheless responsible for the rental of its exhibit space.

### 展覽活動取消/變動

All aisles and service areas must be kept clear with boundaries set by the Fire Department and SEMI.

## INSURANCE

Exhibitor, at its sole cost and expense, will insure its activities and equipment used in connection with the Event and will obtain, keep in force, and maintain a valid commercial and civil insurance policy (contractual liability included) and errors and omissions in each case in an amount equivalent to US\$1,000,000. If the above insurance is written on a claims-made form, it will continue for two (2) years following the Event. Such coverage and limits will not in any way limit the liability of Exhibitor. If requested, Exhibitor must furnish SEMI with certificates of insurance evidencing compliance with all requirements, and Exhibitor will promptly notify SEMI of any material modification of the insurance policies. Such certificates will provide for thirty (30) days' advance written notice to SEMI of any cancellation of insurance policies; indicate that SEMI has been endorsed as an additional insured under such coverage; and include a provision that the coverage will be primary and will not participate with, nor will be excess over, any valid and collectable insurance or program of self-insurance maintained by SEMI.

**Cancellation fee assessments are not transferable and may not be used for any other payments due.**

Reduction of exhibit space may result in booth relocation. SEMI reserves the right to reassign cancelled booth space, regardless of the liquidated damage assessment. Subsequent reassignment of cancelled space does not relieve the canceling Exhibitor of the obligation to pay the assessment. SEMI must receive written notification of any cancellation. All booths must be set and show ready by 6:00 pm on the day prior to the opening of the event. Failure to do so will be considered a cancellation, unless SEMI has been notified and has approved in advance otherwise.

Such data will not be transferred or shared with any other entity other than SEMI and its affiliates. #### GOVERNING LAW / ARBITRATION

This agreement shall be governed by the laws of the Republic of China without regard to principles of conflicts of laws. Any controversy, dispute, or claim arising out of or relating to this agreement, including the existence, validity, interpretation, performance, breach or termination hereof, or any other dispute between the Exhibitor and SEMI arising out of or relating to the SEMICON Show, shall be referred to and finally resolved by arbitration administered by the Chinese Arbitration Association, Taipei under the Chinese Arbitration Association, Taipei Arbitration Rules in force when the Notice of Arbitration is submitted. The place of arbitration shall be in Taipei. The number of arbitrators shall be one. The arbitration proceedings shall be conducted in English. The

arbitral award shall be final and binding upon both parties. In the event of any conflict between these governing law/arbitration rules and the provisions of these terms and conditions, the provisions of these terms and conditions shall govern.

Notwithstanding the foregoing, should adequate grounds exist for seeking immediately injunctive relief for a violation of any term or condition of this agreement, any party hereto may seek and obtain such relief, provided that, upon its obtaining such relief, such action shall be stayed pending the resolution of arbitration proceedings.

Judgment upon the decision rendered or awarded by the arbitrator may be entered in any court having jurisdiction thereof, or application may be made to such court for a judicial recognition of the decision or award or an order of enforcement thereof, as the case may be. The costs of arbitration including, inter alia, reasonable attorneys' fees, expenses associated with the arbitration, and the costs of filing or enforcing the arbitration, all as determined by the arbitrator, shall be paid entirely by the non-prevailing party.

#### GENERAL

The relationship between the parties is that of independent contractors. Exhibitor is not an employee, agent, partner or legal representative of SEMI and shall have no authority to assume or create obligations on behalf of SEMI or the Event. Exhibitor shall not assign to a third party its rights, or obligations, or any portion thereof without the prior written consent of SEMI, which consent SEMI may grant or withhold at its sole discretion. Any attempted assignment without such consent by SEMI shall be void and of no effect, and shall constitute a material breach by Exhibitor of its obligations hereunder. SEMI shall have the right to subcontract to a third party its rights, or obligations, or any portion thereof. If due to legal restrictions, the US entity is unable to perform the Contract or receive payment from a Taiwanese exhibitor, it may need to subcontract some of its rights under the Contract to a Taiwanese entity.

This Contract is the only agreement between the parties pertaining to its subject matter, and supersedes any draft or prior or contemporaneous agreement, discussion, or representation (whether written or oral) between the parties. All conditions, warranties or other terms not expressly contained in this Contract which might have effect between the parties or be implied or incorporated into this Contract, whether by statute, common law or otherwise, are hereby excluded. This agreement may be amended or modified in a writing signed by each party. Aside from the parties hereto, no other person or entity is entitled to benefit from the rights and obligations hereunder and there are no third party beneficiaries hereto.

The failure of either party to assert a right hereunder or to insist upon compliance with any term or condition of this agreement will not constitute a waiver of that right or excuse a similar subsequent failure to perform any such term or condition by the other party. None of the terms and conditions of this Contract can be waived except by the written consent of the Party waiving compliance. If any provision of this agreement is held to be invalid or unenforceable by a court of competent jurisdiction, then the remaining provisions will nevertheless remain in full force and effect, and the parties shall negotiate in good faith a substitute, valid, and enforceable provision that most nearly reflects the parties' intent in entering into this Contract.

**It is each exhibiting company's responsibility to read and comply with all rules and regulations as stated in the Exhibitor Services Manual. Each exhibiting company will be fully responsible for all costs involved should the exhibiting company violate rules and regulations that require remedial action by SEMI.**
