If approved, such use shall be in accordance with applicable trademark law and SEMI's trademark guidelines as revised from time to time. Exhibitor agrees that any such use shall inure solely to the benefit of SEMI, and that Exhibitor shall not obtain any right in the SEMI trademarks beyond the rights expressly granted by SEMI. Exhibitor further agrees not to register any of SEMI's trademark or confusingly similar trademarks with any governmental authority, and not to challenge the rights of SEMI in any SEMI trademark. Exhibitor agrees to modify or remove any content or material published by Exhibitor in connection with this provision upon SEMI's request.

Exhibitor represents and warrants that it owns or has a license to all rights, title and interest in and to all materials including its logos and trademarks, and any patented designs and inventions, copyrighted works, service marks, trade, business and domain names, and any other intellectual property that it provides to SEMI ("**Intellectual Property**") and that the use of any such Intellectual Property does not violate any license agreement which Exhibitor may have with any third party or infringe on the rights of any third party.

Exhibitor hereby grants to SEMI a non-exclusive, limited license to use Exhibitor's trademarks and logos and other Intellectual Property from the date of acceptance by SEMI of Exhibitor's application and until and including the period of the Event solely in connection with SEMI's promotion of the Event and Exhibitor's participation in the Event, including without limitation on the SEMICON Taiwan website and in publications, advertising, and brochures. EVENT CANCELLATION / CHANGE OF EXHIBIT

If SEMI should be unable to hold the exhibition for any cause beyond its reasonable control, or if it cannot permit the Exhibitor to occupy its space due to causes beyond SEMI's reasonable control, SEMI has the right to cancel the exhibit with no further liability than a refund of the stand space rental less a proportionate share of the exhibition expenses incurred by SEMI. SEMI shall in no event be liable for incidental or consequential damages to Exhibitor arising from or relating to such cancellation. Should Exhibitor's display and/or material fail to arrive, Exhibitor is nevertheless responsible for the rental of its exhibit space.

If the above insurance is written on a claims-made form, it will continue for two (2) years following the Event. Such coverage and limits will not in any way limit the liability of Exhibitor. If requested, Exhibitor must furnish SEMI with

certificates of insurance evidencing compliance with all requirements, and Exhibitor will promptly notify SEMI of any material modification of the insurance policies. Such certificates will provide for thirty (30) days' advance written notice to SEMI of any cancellation of insurance policies; indicate that SEMI has been endorsed as an additional insured under such coverage; and include a provision that the coverage will be primary and will not participate with, nor will be excess over, any valid and collectable insurance or program of self-insurance maintained by SEMI.

CANCELLATION OR REDUCTION OF EXHIBIT SPACE BY EXHIBITING COMPANY

1. In the event of cancellation (partial or full) a written notice must be received by SEMI.
2. If canceled **on or before April 2, 2026**, a **cancellation fee of 40%** of the canceled space will be assessed by SEMI.
3. If canceled **after April 2, 2026**, a **cancellation fee of 100%** of the canceled space will be assessed by SEMI.
4. SEMI will issue the final invoice reflecting all fees imposed on Exhibitor's account per the terms and conditions of this Contract.

Cancellation fee assessments are not transferable and may not be used for any other payments due.

Reduction of exhibit space may result in booth relocation. SEMI reserves the right to reassign cancelled booth space, regardless of the liquidated damage assessment. Subsequent reassignment of cancelled space does not relieve the canceling Exhibitor of the obligation to pay the assessment. SEMI must receive written notification of any cancellation. All booths must be set and show ready by 6:00 pm on the day prior to the opening of the event. Failure to do so will be considered a cancellation unless SEMI has been notified and has approved in advance otherwise.

DATA PROTECTION

SEMI may collect and process personal company data in order to perform its obligations pursuant to this Contract as well as to provide Exhibitors information about future events. Such data will not be transferred or shared with any other entity other than SEMI and its affiliates. By submitting personal company data to SEMI, Exhibitors expressly consent, on behalf of their officers and employees, to the transfer and processing of that personal company data in Taiwan and in the United States. Exhibitors have the right to access and correct their personal company data, and in some circumstances may be entitled to delete their personal company data, by contacting SEMI show management.

GOVERNING LAW / ARBITRATION

This agreement shall be governed by the laws of the Republic of China without regard to principles of conflicts of laws. Any controversy, dispute, or claim arising out of or relating to this agreement, including the existence, validity, interpretation, performance, breach or termination hereof, or any other dispute between the Exhibitor and SEMI arising out of or relating to the SEMICON Show, shall be referred to and finally resolved by arbitration administered by the Chinese Arbitration Association, Taipei under the Chinese Arbitration Association, Taipei Arbitration Rules in force when the Notice of Arbitration is submitted. The place of arbitration shall be in Taipei. The number of arbitrators shall be one. The arbitration proceedings shall be conducted in English. The arbitral award shall be final and binding upon both parties. In the event of any conflict between these governing law/arbitration rules and the provisions of these terms and conditions, the provisions of these terms and conditions shall govern.

Notwithstanding the foregoing, should adequate grounds exist for seeking immediately injunctive relief for a violation of any term or condition of this agreement, any party hereto may seek and obtain such relief, provided that, upon its obtaining such relief, such action shall be stayed pending the resolution of arbitration proceedings.

Judgment upon the decision rendered or awarded by the arbitrator may be entered in any court having jurisdiction thereof, or application may be made to such court for a judicial recognition of the decision or award or an order of enforcement thereof, as the case may be. The costs of arbitration including, inter alia, reasonable attorneys' fees, expenses associated with the arbitration, and the costs of filing or enforcing the arbitration, all as determined by the arbitrator, shall be paid entirely by the non-prevailing party.

GENERAL

The relationship between the parties is that of independent contractors. Exhibitor is not an employee, agent, partner or legal representative of SEMI and shall have no authority to assume or create obligations on behalf of SEMI or the Event. Exhibitor shall not assign to a third party its rights, or obligations, or any portion thereof without the prior written consent of SEMI, which consent SEMI may grant or withhold at its sole discretion. Any attempted assignment without such consent by SEMI shall be void and of no effect and shall constitute a material breach by Exhibitor of its obligations hereunder. SEMI shall have the right to subcontract to a third party its rights, or obligations, or any portion thereof. If due to legal restrictions, the US entity is unable to perform the Contract or receive payment from a Taiwanese exhibitor, it may need to subcontract some of its rights under the Contract to a Taiwanese entity. This Contract is the only agreement between the parties pertaining to its subject matter, and supersedes any draft or prior or contemporaneous agreement, discussion, or representation (whether written or oral) between the parties. All conditions, warranties or other terms not expressly contained in this Contract which might have effect between the parties or be implied or incorporated into this Contract, whether by statute, common law or otherwise, are hereby excluded. This agreement may be amended or modified in a writing signed by each party. Aside from the parties hereto, no other person or entity is entitled to benefit from the rights and obligations hereunder and there are no third party beneficiaries hereto.

The failure of either party to assert a right hereunder or to insist upon compliance with any term or condition of this agreement will not constitute a waiver of that right or excuse a similar subsequent failure to perform any such term or condition by the other party. None of the terms and conditions of this Contract can be waived except by the written consent of the Party waiving compliance. If any provision of this agreement is held to be invalid or unenforceable by a court of competent jurisdiction, then the remaining provisions will nevertheless remain in full force and effect, and the parties shall negotiate in good faith a substitute, valid, and enforceable provision that most nearly reflects the parties' intent in entering into this Contract.

It is each exhibiting company's responsibility to read and comply with all rules and regulations as stated in the Exhibitor Services Manual. Each exhibiting company will be fully responsible for all costs involved should the exhibiting company violate rules and regulations that require remedial action by SEMI.
